Mr. and Mrs. John J. Sullivan, Jr.

Dear Mr. and Mrs. Sullivan:

Once again I want to express my concern regarding the disappearance of John. I also want to assure you that we have investigated every possible source and will continue to follow any leads we may receive.

I am enclosing a complete inventory of John's effects which I made in presence of Sheraton Hotel employees. His things are still in possession of the Hotel. I am also forwarding a copy of hotel registration and bill, both of which bear his signature.

Please do not hesitate to contact me at anytime.
